CHEF PROFILES

ANTONIO GOMEZ
SEVERINO'S BAR & GRILL

Nestled in beautiful Aptos, few restaurants make you feel as "at home" as Severino's Bar & Grill. Overlooking lush gardens, their famous koi pond and cascading waterfall, Severino's Bar & Grill has welcomed guests since 1985. Their friendly atmosphere has been a favorite for locals and travelers alike.

Appointed executive chef to run Severino's Bar & Grill in 2001, Antonio Gomez got his start in catering, and has been cooking since he was 15 when he was inspired by a culinary professor at Cabrillo College. Antonio has been honing his skills for over 20 years and is always looking for new flavors and techniques; fusing together different tastes to create exciting dishes. Nothing of a specialty of his. He says that what he likes about serving as executive chef at Severino's Bar & Grill is "the pace, the pace, the pace." Antonio is proud to have won 14 first place awards for his Manhattan and Boston clam chowders at the Santa Cruz Clam Chowder Cook Off. Chef Antonio uses fresh California produce to deliver tasty, local dishes at the table. When not working, he enjoys soccer, mountain biking and preparing meals for his extended family and friends.
